

Neurodevelopmental Practitioner Meet & Greet

**Are you a neurodevelopment pediatric provider in Central Ohio?
This meet & greet is for you!**

Come meet other Central Ohio providers to strengthen your referral network and the whole-person nature of what these children and families need within their care. This will be an evening of networking and info sharing with the people you and your clients need. Light refreshments and guided connections will be provided. Come ready to mingle and with some marketing materials or business cards in hand!

This free event has been organized by:
